Dear Sir/Madam, AICTE, as the Organising Partner, would like to inform you that the 9th International Exhibition & Conference for Educational Resources and Solutions - Didac India 2017 – is to be held from 19 to 21 September 2017 at Bombay Exhibition Center, Goregaon Mumbai, India.

The exhibition, Didac India -2017, is the country's only event where Indian & Global companies will be showcasing latest and innovative education & training resources and solutions that are important to create world class institutions.

AICTE shall also be creating a showcase of all existing & forthcoming initiatives, policies & collaboration opportunities at this grand event.

The concurrent conference - The International Education & Skill Summit (TIESS) shall address relevant topics like quality in education and training, importance of investing in technology, teachers training, teaching-learning resources, comprehensive curriculum, VET, academic and administrative governance structure and practices, optimal use of ICT for the same and much more.

AICTE is organising a meet for its member institutions on 19th September at 2.30 pm, which shall be chaired by the Vice Chairman Prof. M P Poonia along with senior dignitaries of AICTE to discuss various key issues related to Higher Education.

We invite all Heads of the Institutions to attend and participate in the above and take advantage of this mega annual event.

Please note that no conference fee is applicable for the heads of the Institutes that are approved by AICTE.

To register & confirm your presence for this event & the AICTE meet, kindly contact the conference secretariat mentioned below.
