Greetings from the U.S. Consulate General, Mumbai!

You have shortlisted universities that you plan on studying at in the U.S. Now comes the step of applying to those universities. A key component of the application packet is the statement of purpose for postgraduate students or the essays for undergraduate applicants. The essays and statement of purpose are tools to market yourself to the universities, and show them why you are a strong applicant. Attend the free session that will provide you with the essentials of writing a winning application essay and statement of purpose.
