Dear Sir,

1. I am writing this letter to apprise the engineering students from final year (passing out in 2019) about one of the finest career opportunity into the Indian Navy through University Entry Scheme (UES), our primary source for induction in the Indian Navy.

2. Campaign for UES-2019 for induction in the Indian Navy has commenced wef Feb 2018. During the talk, students from the present 6th Semester/3rd year (passing out in 2019) are appraised about the Navy and benefits of the University Entry Scheme.

3.	30 Jul 18	Last date of filling on-line applications.
4.	Aug - Nov 18	Campus Interview at designated colleges for short-listing students for interview at SSB.
5.	Dec 18 - Apr 19	Conduct of SSB interviews.
6.	Jun 19	Commencement of course at Naval Academy.

4. It has been observed that awareness amongst the students about the Navy is very limited, due to which large numbers of willing and aspiring students do not get opportunity to seek career in this fine service. UES is
