

Educational Counseling Report-2014

As student is a center of Education system, responsibilities of its overall development lies with the institute and parents as well. A convention of parents, teachers, students and management is arranged at the beginning of each year for new students to enlighten about the institutional facilities and courses conducted by the college. The main objective of the counseling is to remove the doubts in their mind concerning the chosen career and also to build self confidence amongst the student community. The most important purpose of counseling is to establish a close relationship amongst student parent and the institute. Counseling session was arranged from 25 July to 8 August 2014

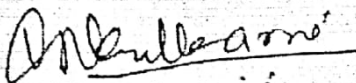

During admission process for the new academic year separate time slots were given for each & every student along with their parents, Principal Dr. KTV Reddy & college counselor Mrs. Vibhavari Kulkarni conducted the counseling session.

Each student was given prescribed form to fill detail information. The information asked was related to academic progress at different levels, family background, achievements, hobbies, other interests & psychological issues faced by them. Apart from individual issues expressed by the family, Principal & college counselor took the opportunity to explain & reiterate the rules & regulations of the institute. The whole exercise went almost for a month & very well accepted as a new initiative by the student community. The student & parent community benefited at large & excellent rapport could be developed with the college.

Departmental level student counseling:

The Academic Council of the college has allotted one hour slot for each class for counseling. This time slot is aimed at counseling students in the following area:

1. Career / Higher Studies
2. Placement: Recruiters perspective
3. Personality and Grooming
4. Behavior / Do's and Don'ts in Interview
5. Any other issue concern

Educational Counseling

PVPP COE Sion MUMBAI

Dates: From 08 July 2013 Continued almost for one month

Venue: R0182

Objective

- The most important purpose of counseling is to establish close relationship among the students, parents & Institute.
- Counseling sessions were arranged in the beginning of the academic year for the fresh batch of students & direct second year admission after Diploma as they were in need of counseling to remove doubts in their minds concerning the chosen carrier & also to build self confidence amongst student community.
- It was also thought appropriate to involve the parents of these students who are major stakeholders in the future development of not only the students but also our institute.
- As student is the most important entity of the education system, responsibility of its overall development lies with the institute & parents as well.

Methodology adopted

During admission process for the academic year 2013-2014 separate time slots were given to a group 10 students along with their parents Principal Dr K T V Reddy & Mrs Vibhavari Kulkarni HOD GE & in charge of educational counseling conducted the counseling session.

Each student was given prescribed form to fill detail information. The information asked was related to academic progress at different levels, family background, achievements, hobbies, other interests, talents, skills & psychological issues faced by them. Apart from individual issues expressed by the family Principal Dr K T V Reddy & Mrs Vibhavari Kulkarni took the opportunity to explain & reiterate the rules & regulations of the institute, various activities, details about credit grading system, importance of clearing internal exam. The whole exercise went almost for a month & very well accepted as a required initiative by the student community.

Conclusion

It was good exercise to understand strengths & weakness & also to identify various talents & skills. The above initiative by the institute proved to be an excellent image building exercise to the institute. The student & parent community benefited at large & excellent rapport could be developed with the college.

Report prepared by: Mrs Vibhavari Kulkarni.
