If a minus quantity is stated in the Quantity Ordered sections below, this means that we have reduced your previous order by the number of licenses reflected. Please refer to VLSC for the updated summary of all your Licensing Enrollment details.

How to activate your Online Services:

For all Online Services except Microsoft Azure, please use the Online Service Activation tab in VLSC here.

For Microsoft Azure, please obtain your Online Service Activation Key from VLSC. The key can be found at either of the following locations from the VLSC Homepage:

- **Download & Keys** > find the Product/Service name > click **Key**
- **Licenses > Relationship Summary** > Click on the License Number > **Product Key**

Copy the Key and activate at the Azure Portal here.

Volume License Product Keys - To install certain licensed products you will need to use a specific Volume License Product Key (VLK). This VLK is issued to your company for your exclusive use for each specific license purchase. You agree to use your best efforts to keep a secure record of this product key including not disclosing this product key to any unauthorized third party. The VLK(s) for this enrollment can be retrieved from the VLSC at <https://www.microsoft.com/licensing/servicecenter> or by calling a customer service representative - full information on this process including worldwide activation center phone number listings can be found at <https://www.microsoft.com/licensing/resources/vol/default.aspx>.

If you have any questions, please contact your reseller who will work with Microsoft on your behalf.

Yours sincerely,
Microsoft Corporation(I) Pvt. Ltd.
