

# VASANTDADA PATIL PRATISHTHAN'S COLLEGE OF ENGINEERING AND VISUAL ARTS

Department of Computer Engineering

Faculty members follow revised blooms taxonomy for the preparation of Mid Term and End Term papers also for the preparation of assignment questions. The PAQIC Committee ensures that the faculty members have followed all the Blooms Taxonomy guidelines and used correct verbs for framing questions.

## BLOOM'S TAXONOMY

<b>Create</b>	<b>Use Existing Information to make something new</b> Invent, Develop, Design, Compose, Generate, Construct
