

YEARLY STATUS REPORT - 2020-2021

Part A

Data of the Institution

1.Name of the Institution	
	VASANTDADA PATIL PRATISHTHAN'S COLLEGE OF ENGINEERING & VISUAL ARTS
• Name of the Head of the institution	Dr. Alam N Shaikh
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	02220847226
• Mobile No:	9702011319
• Registered e-mail	principal@pvppcoe.ac.in
• Alternate e-mail	naac@pvppcoe.ac.in
• Address	Vasantdada Patil Educational Complex, Eastern Express Highway, Padmabhushan Vasantdada Patil Marg, Sion
• City/Town	Mumbai
• State/UT	Maharashtra
• Pin Code	400022.
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education

• Location	Urban				
• Financial Status	Self-financing				
• Name of the Affiliating University	University of Mumbai				
• Name of the IQAC Coordinator	Dr. Mahavir Devmane				
• Phone No.	9869170634				
• Alternate phone No.	02220847226				
• Mobile	9930104709				
• IQAC e-mail address	iqac@pvppcoe.ac.in				
• Alternate e-mail address	mdevmane@pvppcoe.ac.in				
3.Website address (Web link of the AQAR (Previous Academic Year))	https://www.pvppcoe.ac.in/assets/docs/#				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://pvppcoe.ac.in/academic-calender/				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B+	2.73	2019	28/03/2019	27/03/2024
6.Date of Establishment of IQAC			17/08/2017		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
PVPP College of Engineering	PRERANA	AICTE	2019-20	7,20,000	
8.Whether composition of IQAC as per latest			Yes		

NAAC guidelines	
<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File
9.No. of IQAC meetings held during the year	3
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	View File
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
<ul style="list-style-type: none"> • If yes, mention the amount 	
11.Significant contributions made by IQAC during the current year (maximum five bullets)	
1. Soft skill and preplacement preparation for third year students is introduced.	
2. Introduced online MCQ test using different platforms to make students familiar with online exams.	
3. Training provided to students for competitive exams under prerna scheme	
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year	

Plan of Action	Achievements/Outcomes
Webinars, Online Guest lectures and workshops for staff and students to be conducted.	Students could understand emerging topics in the field of engineering. Due to the pandemic some of the activities conducted in online mode and helped to enhance the understanding of students and faculty in the chosen field
Social service by students under NSS.	Through NSS the students are actively involved in the social service. Students visited nearby places and conducted activities.
Remedial classes for weaker students.	Remedial lectures are conducted for students which help to improve their performance in exam.
Alumni meet to be conducted.	Due to pandemic the Alumni meet conducted in online mode to have interaction with the stakeholder. Discussions were held regarding the current industry scenario and the threats and opportunities to the graduates.
Soft skill and Pre-placement training to be conducted for students.	Due to pandemic the soft skill and pre-placement training conducted in online mode. This training increased the placement of students.
13. Whether the AQAR was placed before statutory body?	No
<ul style="list-style-type: none"> Name of the statutory body 	
Name	Date of meeting(s)
Nil	Nil
14. Whether institutional data submitted to AISHE	

Year	Date of Submission
2020	13/02/2020

15.Multidisciplinary / interdisciplinary

VPPCOE & VA provides the students a multidisciplinary engineering education. It also motivates faculty members to attend webinars, workshops, STTPs, FDPs, ATAL courses etc. in multidisciplinary fields for overall growth. The students showcased their multidisciplinary talent through mini projects and major projects.

16.Academic bank of credits (ABC):

VPPCOE & VA is affiliated to University of Mumbai and thus follows the choice based system of Mumbai University. Currently the Academic credit data is maintained digitally at college level. As per the guidelines of University of Mumbai the Academic credit data will be made available on MKCL portal

17.Skill development:

In view of skill development the students are provided technical as well as soft skill trainings. The students are motivated to join courses by spoken tutorial, Coursera, NPTEL.The faculty members are encouraged to attend webinars, seminars,workshops, STTPs, FDPs, ATAL courses etc.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

NOT APPLICABLE

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All the departments are following the Outcome Based Education concepts for the betterment of the students. The departments adopts teaching-learning process to achieve outcomes like technical skills, good communication and presentation skills, attitudes by giving platform through project presentations, group discussions, group projects etc.

20.Distance education/online education:

NOT APPLICABLE

Extended Profile

4.Institution	
4.1 Total number of Classrooms and Seminar halls	22
4.2 Total expenditure excluding salary during the year (INR in lakhs)	42712780
4.3 Total number of computers on campus for academic purposes	565

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Academic Calendar serves as a record of Mumbai University academic policies and procedures. According to which, Institution designs its own academic plan.

Time table reflects the theory, practical and tutorial loads of the subjects & faculties.

Faculty prepares Subject Orientation, lecture notes, conducts lectures & practicals, tutorials using (ICT), internet and online resources, case studies or mini projects, MCQ, tests, Internal assessment tests. .Assignments, experiments are planned and designed according to course outcomes. Expert talks, Internships Workshops, seminars are organized to provide hands-on practice.

Institution also offers training for placement and gets the students ready for the professional world through career counselling and training. Students of final year implement the projects as prescribed in curriculum & are encouraged to publish their research papers in conferences/ journals.

Dept. of Applied Arts & Paintings conducts a practical dominating course with 20 percent theory with annual pattern that aims to teach students to express their views on the work executed by them, on the current practice as well as trends in communication design and interacting with other faculties, which helps them to achieve skills to defend their work, build up the confidence, acquire the skills of salesmanship and finally groom them into successful professionals.

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar serves as a record of Mumbai University academic policies and procedures. According to university calendar, Institute designs its own academic plan.

Institute forms time table committee which contains two faculties from each department and one convener from Institute. Time table reflects the theory, practical and tutorial loads if any assigned for each subject & each faculty.

Details of the students enrolled in Subjects related to certificate/Add-on programs	No File Uploaded

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Various subjects in the curriculum raises environmental challenges awareness and teaches professional ethics to students.

Professional Communication & Ethics

This course is included in first-year B.E. syllabus, Rev. 2019-C scheme which enhances students' professional ethics and teaches engineers' social responsibilities.

Following courses are offered as Institute Level Optional Courses in Mumbai University's final-year curriculum and can be offered according to students' choice.

Disaster Management and Mitigation Measures

Students can understand world disasters types, damaging capacity, and methods to overcome or minimise it which further specifies individual roles, GIS applications & emergency government response structures.

Energy Audit and Management

Students can understand energy conservation fundamentals and security, electrical and thermal installation performance evaluation criteria.

Development Engineering

Students can understand characteristics, scope and constraints of rural development relevant for institutional planning.

Professional Ethics and Corporate Social Responsibility (CSR)

Students can understand professional ethics, recognize & distinguish corporate social responsibility aspects in business.

Entrepreneurship Development and Management

Students can study legal aspects of entrepreneurship, and entrepreneurs' government policies.

Digital Business Management

This familiarises students with digital business & give insights into E-business strategies.

Environmental Management

The students learn concepts of ecology & environment related legislation relevant at global concerns.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college organizes a well- structured orientation programme for newly admitted students at first year and also for direct second year along with their parents to understand the engineering curriculum prior to commencement of academic year. To understand the current semester syllabus properly and to bridge the curriculum gap, the pre-requisite is taught by conducting bridge course in the beginning of the semester. The advanced learners are identified by individual faculty of each class based on the student performance in the test, behavior of students, initiative taken by students in solving problems, submission of assignments, project works and practical work in laboratories. They are also encouraged to participate in competitions and paper presentation in intra and inter collegiate competitions. Extra care is taken to increase their academic excellence by giving them more practice papers, special guidance for enhancing result and learning through various syllabus related videos. Additional reference books are also provided from the college library to get more insights in the subjects. Slow learners are identified after observing their performance in the class test and mid- term examination. Remedial coaching is provided to slow learners. The remedial lectures are conducted after regular class hours or free time slots. Faculties provides learning material in the form of notes to them and help them overcome the lacuna in understanding the subject and counsel them in all aspects such as attendance, marks, providing proper guidance to the academically weak students.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Fixed teaching schedule: The institute follows a well planned academic calendar. It provides a balance between the academic & non-academic activities like sports and other techno-cultural events. Every faculty member prepares a Teaching Plan comprising weekly and daily planner for their respective subjects before the commencement of new semester. Timetable is prepared before the commencement of the semester and is mostly followed by the faculty. ? Students Centric methods: The institute implements student centric learning methods in the campus. ? Participative learning Apart from regular lectures and practicals, interactive method involving experimental learning encourages the students to enhance their technical skills. Faculty arranges group discussion, quiz, seminars for their subjects wherein students are required to participate which helps to enhance their analytical and logical skills. The technical fest is organized and managed by students under the guidance of faculty members where they get an opportunity to learn the event management and leadership skills. Students are also encouraged to participate in intra and inter collegiate seminars, quiz and project competitions. Sports and Cultural competitions are organized every year which provides the students an ample scope for extra-curricular and co- curricular learning. ? Experiential learning: Industrial visits and internships are arranged for the students by all the departments. It enables the students to bridge the gap between industry and institute. Training is provided to students to enhance their soft-skills, group discussions skills, aptitude test capabilities as well as interview techniques. Students are also encouraged to participate in project exhibitions to sharpen their technical skills.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The academic year 2020-2021 was completely affected by Covid-19 pandemic and therefore it was not only the choice but also the compulsion of the teachers to learn, adopt and practice the ICT enabled tools. The use of laptops and internet became a common practice not only for the teachers but also for the students. The teachers used the google meet to conduct the theory lectures. Also they used the google classroom to create the contents for the subject and shared with the students. Moreover, various teachers attended the refresher courses and faculty Development Programmes for online teaching and creation of online contents. Facilitated by these programmes, the teachers are effectively using ICT enabled tools like laptops, headphones, writing pads, internet, video-lectures, audio-lectures, PPT presentations, virtual labs, YouTube links, e-contents etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The internal assessment system is transparent and it is evaluated on the basis of Students' attendance, laboratory work, assignments, tutorials, term test etc. After the test, the model answers and marking scheme are discussed by the faculty with the students. Solution of Midterm, End term and University papers are prepared by the subject teacher. At the beginning of semester orientation session is conducted by each faculty member in which the faculty mentions the assessment scheme of the particular subject. The faculty maintains transparency while awarding marks and maintaining the documents. The students and their parents are made aware of the evaluation system through orientation program and Parent Teacher Interaction Meeting (PTIM). The institute encourages independent learning through project and paper presentations by students. Since the previous year question papers are available in college library as well as college website, the students can access it and use for their better performance. Students can get benefit of 10 grace marks which are approved by university of Mumbai for completing 120 Hours in a academic year for NSS activities. The mechanism followed by the college for internal assessment is completely transparent and robust as mentioned above.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institute has grievance cell comprising senior and experienced faculty appointed by principal. At Institute level this committee takes care of the grievances regarding the evaluation process and any other related issues. The examination cell of the institute helps Students in referring them to the university with proper documents after detailed verification in case of any discrepancies observed in the mark sheet at the university level. The teacher clarifies doubts regarding evaluation and if there is any change in the marks it is mentioned in the records. In cases of issues related with mistakes in filing examination forms Institute refers the case to university through proper Channel and helps the students in resolving the same within the stipulated time. The semester 1, 2, 7 and 8 are evaluated by university and the semester 3, 4, 5 and 6 are evaluated in the college by examiners and moderators approved by university of Mumbai. If the student is not satisfied about the marks awarded to him/ her in End Semester examination he/ she can

apply for photocopy of answer sheet as well as can apply for re-evaluation of the answer sheet by paying fees prescribed by University of Mumbai. Utmost care is taken by the faculty so that no discrepancies are observed. Before the commencement of any university examination, Examination team updates the faculty about the rules and regulation. Also faculty instructs all the students regarding the examination rule.

Link for additional information	Nil

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Yes, Program Outcomes (PO), Program Specific Outcomes (PSO) and Course Outcomes for all programs offered by the institution are stated, displayed on website, institutional LMS & communicated to teachers and students. Program outcomes, program specific outcomes of respective programs are displayed at various key locations on the department floors. These are also included in subject course files prepared by faculty. The students get familiar to PEO, PO & PSO by including these in the lab journals. The importance of the same is discussed during lab session by teachers. University of Mumbai mentions Course Objectives & Course Outcomes (CO) in the semester syllabus of every programme. Each subject teacher not only includes CO in subject Course files but also discusses during subject orientation programs with department faculty. For every laboratory course code, CO's are prepared (if not predefined in the syllabus) and presented in course files as well as in respective laboratories. Course Outcomes are mapped with Programme Outcomes under three main categories as High, Medium & Low, which is also discussed with the students. The mapping indicates how the Programme Outcomes are achieved through course outcomes by effective teaching learning process.

File Description	Documents

Upload COs for all courses (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Institution has a well defined mechanism using software to prepare the attainment levels for program outcome, course outcome and program specific outcome. The faculties define the direct and indirect assessment methodologies and each question of internal assessment and each parameter of the indirect assessment are mapped to the program outcome, course outcome and program specific outcome. The result and performance data of every student is uploaded to the software which calculates the attainment levels of the PO, PSO and CO.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

VPPCOE encourages & appreciates the services provided faculty members and students to participate in social outreach programs in collaboration with registered NSS cell & promote Blood donation camp, health checkup campaigns, Plastic ban campaigns, & community network to sensitize the students towards societal needs and bring social change in the surrounding communities & Organizes various social events such as book donations, distribution of cloths to needy people through the event like "Wall of Humanity". The Eco-Club of the college conduct activities-best out of waste project competition, skit regarding 'Save Environment', 'Save Fuel Day. The NSS unit has been observing World Health Day, World AIDS Day, World Blood Donors Day and other important occasions for promotion of Health & Hygiene, World friendliness, Relief work during emergencies like flood, fire and natural calamities, Literacy campaign, Avoidance of drug, AIDS awareness, women's day, girl child day etc. The college has adopted the Asose village under the National scheme of Village adoption, donated 01 computer to Dahagaon village to develop computer literate children & etc mandates the participation of students in campaigns like "Swacha Bharath", "Unnat Bharat", HIV/AIDS awareness. students have won a first rank for a Road Safety Awareness street play from TCS.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institute has 20 classrooms admeasuring between 66 & 67 sq.mt.The institute has one conference room of area 50 sq.mt,two seminar halls of 146 sq.mt & 135 sq.mt respectively. The institute has 4 tutorial rooms.The institute infrastructure includes total 27 laboratories,out of which one computer centre of area 152 sq.mt.It also includes one language lab of area 40 sq.mt.The institute has central library of area 404 sq.mt which includes reading room and

digital library. Wi-Fi facility is also available in the campus. Institute has installed CCTV cameras in whole campus. In each department HOD cabin, staff room, department office is available. The common facilities like vehicle parking area, canteen, drinking water facilities & washrooms are available in the campus. The institute has principal and PA office, central store, examination section, students section, placement office, girls common room, boys common room, stationary store, medical room, meter room, maintenance room, pump house, housekeeping, cafeteria, security office etc. In case of supply failure, institute is having its own electric generator unit. In case of fire disaster institute has installed fire fighting system including wet riser, fire pump, booster pump, jockey pump, sprinkle pump, automatic smoke detection system, fire alarm system, court yard hydrants, portable fire extinguishers facility. The institute has installed solar panel unit of capacity 72.96KW.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Institute has gymnasium with area 77.32 sq.mt containing modern equipments. It has amenities for both indoor & outdoor games. In indoor games, there are two tennis tables, carom boards, chess boards etc.

For playing various outdoor games the institute has a playground of area 16810.4 sq.mt. On playground are two turf for playing box cricket and mini football matches.

Institute also educate the students about the awareness of the social activities under NSS. Institute started waste to compose campaign in the campus. The institute has wheelchair as well as ramp for physically challenged peoples. Special washrooms are also available for physically challenged candidates. Institute have psychological counsellor Ms. Pooja Panjabi for students who conduct counselling lectures to test various aspects of personality, ability & aptitude of the students. Institute has also appointed Doctor Ms. Preeti Shukla in case of emergency medical issues. Apart from this, to provide medical facility for minor injuries, every floor is having first aid box easily accessible to students & staffs.

Also various cultural activities like fusion, is a big annual function conducted at college ground. Other cultural activities like traditional day, engineers day, fresher's party are usually conducted either in auditorium or in open space of college campus.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

ILMS Software:

The library has purchased the ILMS Software i.e. e-Granthalaya on 11/04/2007, which is Fully Automated. The Library has this ILMS Software i.e. e-Granthalaya since from 2007 to till date with latest version 3.0 which is Fully Automated by upgrading the same Software to its latest version, which is available.

e-Granthalya Library Software developed by National Informatics Centre (NIC), Ministry of Electronics and Information Technology, Government of India. The software provides built-in Web OPAC interface to publish the library catalog over Internet and is UNICODE Compliant thus, supports data entry in English languages. Users within our campus can access various books /journals/titles by its author's names using the link.

e-Granthalya Library software aims at speeding up and simplifying not only librarian's day-to-day routine tasks.

System Requirements for e-Granthalaya:

- Application is hosted in NIC National Cloud and used Online by User Libraries for Data Entry and Member Services.
- No Component is installed and nothing to maintain at User End (Database and Application are hosted in NIC National Cloud)
- User Library needs to have Desktops with Internet Connectivity
- Other Infrastructure required in Library: Desktop Bar Code Printer / Scanner.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

In Academic year 2020-21, institute has total 565 PCs in different departments. Every system is equipped with internet facility and latest version softwares. Each department is equipped with own dedicated laboratories with adequate computing facilities. Number of computers increased by 100 in academic year 2014-15 to fullfill the increasing demand of users having latest configuration along with 10 printers of Hp laser Jet P1566 and 1 color printer of HP Laser Jet Pro 200M25.

Institute provides free of cost uninterrupted internet facility. Institute frequently upgrades LAN speed and bandwidth. In Academic Year 2012-13 LAN Speed and bandwidth was 10 Mbps and 16 Mbps respectively. Bandwidth upgraded to 32 Mbps in academic year 2016-17 and further upgraded to 50 Mbps in academic year 2017-18. In academic year 2020-21 new order to upgrade the bandwidth from 50 Mbps to 300 Mbps is placed in the month of march, 2021.

In academic year 202-21 number of different IT equipments purchased including 12 printers of HP laserjet, 50 numbers of 500 GB HDD, 35 SMPS, 2 projectors and 3 Epson 3110 color jet printer.

Wi-Fi facility is available throughout the campus for all the students and staffs.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

1.Computer Facilities:

AMC contract is given to external agency for maintenance of computers.ESP deploys one person in campus to check all computers

2.Classrooms,Washrooms,Water purifier & cooler:

Institute appointed external agencies for maintenance of infrastructure. Classrooms & wash rooms are cleaned daily. Maintenance of water Purifier is contracted by ACE Technology.

3. Pest Control:

Pest Control is conducted on regular basis in collaboration with external agency.

4. Electrical Facilities:

Institute appointed two dedicated staffs for maintenance of electrical facilities.

5. Elevator, CCTV Cameras & Intercomm:

AMC Contract is given to Victoria Elevators. Maintenance of CCTV Cameras & Intercomm are done through external agencies.

6. Security & Medical services:

Institute made an agreement with V.P. Security Services. Institute appointed Doctor for health check up.

7. Fire System & Electronics Lab:

Institute has made an agreement with external agencies for Fire System. For Electronics repair, service is hired from outside agencies.

8. Library:

Maintenance of reprographic machine is done by Library staff. Books are weeded once in every 07 years. Maintenance of books dusting is conducted daily.

9. E-Waste & Solar System:

Institute appointed an ESP to collect e-waste yearly. There is CMC for one year for electrical maintenance and cleaning of Solar System with external agency.

10. Sports:

Maintenance of sports ground done regularly by the maintenance department of institute.

5.3.2 - Institution facilitates students’ representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council is an instrument for all round development of students, through which we inculcate sense of social responsibility and ethical behavior. This platform is provided for the students to have hands on training in administrative procedures, develop group management and leadership qualities. The objective of Students council is to create good citizen of India. Faculty head for student council is nominated by the principal. The student members are selected from the willing students. A student can hold only one post at a time. Once selected for Student council post the students is not given any other departmental or institute level committee

responsibility. Students results for midterm, end term and university exam are monitored and if the result gets affected drastically then the student is to be removed from the post. The Principal, and all Department HOD's, outgoing student council, together with all the CR's, and Final year students select the member by voice vote. All the departments are well represented in the council. The student council along with CR's is the bone of all extracurricular, technical, cultural and sports activities, such as Fusion, Sportivo, Ganpatti festival, Teachers day celebration, Independence an Republic day celebration and farewell to BE students. The ladies representative selected in students council is by default the appointed student representative for Grievance redressal in Womens Grievance Redressal Development Cell (WDC). Even though the Institute is a co-education institute there is no Grievance reported.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Padmabhushan Vasantdada Patil Pratishthan's College Of Engineering's interaction with alumni goes back to 20 years. We have a very strong relationship with our alumni on individual basis though the official association has been formed this year. Every year in March during cultural festival we organize an alumni meet wherein we provide a platform to our accomplished alumni to showcase their achievements and encourage their juniors. Respected General Secretary Sr. Advocate Appasaheb Desai and Principal acquaint the alumni regarding various aspects of the institution and puts across the mission for the future. During this meet alumni are invited to share their inspiring memories and take keen interest in the development of meritorious students with financial problems and explore opportunities for training and placement. Alumni Association facilitates bridging the gap between young upcoming engineers and accomplished alumni in accordance with industry needs and brings the theoretical knowledge and practical experience together. We are connected to alumni through social network facebook, whatsapp etc. and interact formally and informally. The An alumnus is associated with the [LMC/CDC] College Development Committee who contributes expert industry insights.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision:

To provide an environment to educate, encourage and explore students by facilitating innovative research, entrepreneurship, opportunities and

employability to achieve social and professional goals.

Mission:

To foster entrepreneurship and strengthen industry institute interaction to enhance career opportunities for the employability of students.

- To foster entrepreneurship & strengthen industry institute interaction to enhance career opportunities for the employability of students.
- To build up appropriate moral and ethical skills and to promote holistic development of students through various academic, social and cultural activities.
- To encourage collaborations with industries and academic institutes in terms of projects & internships by creating area for Research and Development. Nature of Governance:

The college has a visionary management constantly looking for ways and means of incorporating quality in education. Vasantdada Patil Pratishthan's College of Engineering and Visual Arts was established in 1990 as a humble tribute to Late Shri Padmabhushan Vasantdada Patil, by the great founder Late Shri Manohar (Mama) Phalke, Ex M.L.C. The college is spread over wide area and it has built up a huge infrastructure. The cosmopolitan and pluralistic nature of the college enables it to provide holistic education by concentrating on effective teaching-learning using ICT classrooms. The college motivates the student's to organize technical events, cultural events and ensure the maximum participation of the students

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Many of the processes in Academics and administration that are decentralized for better outcome. The management has empowered principal, IQAC head, head of department and faculty to make decisions related to curricular, co-curricular and extra-curricular activities. Resulted in taking autonomous decisions at their level for accomplishing the set goals.

Decentralization has resulted in increasing the overall and effectiveness of the system and at the same time empowering and strengthening the capacities of the various branches of administration. The existing organizational structure, as per norms, the institute has formed certain bodies in which there is more or less equal blend of faculty members and staff from different departments and sections which comply with the decentralization of role and participatory management. This gives everyone an opportunity to play a role and handle responsibilities.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institute's operation is guided by a strategic plan as decided by the Governing Body of the institute which has been formed in accordance with government norms. As per the Governing Body plan the Principal and the Departmental Heads execute the operation. The Governing Body also suggests necessary actions to be followed for academic excellence. The follow up action and corrective measures

are taken in the next academic year and the results are presented in the next Governing Body meeting for evaluation. Thus the academic excellence and quality of operation is continuously monitored, guided and ensured.

The institute as a part of its strategic operation focuses on the followings:

1. Encourage faculties to improve the quality of the teaching learning.
2. To increase the ICT usage for teaching learning.
3. To introduce number of certificate courses on industrial requirements to bridge the industry academia gap.
4. To motivate faculties to interact with other institutions.
5. To sign MOU's with more industries and foreign universities that makes availability of internships to our students.
6. More emphasis on Extra-Curricular activities such as encouraging effective organization of Technical Fests, encouraging the students to participate in different technical as well as non-technical competitions.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The VPPCOE & VA is an affiliated engineering college that operates under the statutes, regulations and legal framework of the University of Mumbai. The institute is owned and managed by the Vasantdada Patil Pratishthan (VPP) trust. The VPP has constituted the Governing Body that following the norms of AICTE. The Institute is under the administrative control of the Governing Body. The

Governing Body meets regularly to discuss various administrative and academic issues presented by the Principal who is the member-secretary. The Principal executes the directives and suggestions offered by the Governing Body with help of various committees and bodies of the institute. While executing all the academic and non academic activities code of conduct followed.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal System:

Appraisal System based on Recognition and appreciation of a job well-done by the individual's self-image and self-recognition to optimum heights. The Management ensures that the right people are available at the right place and right time, and have the capability and

competence to work effectively and efficiently so as to achieve the objectives set by the organization. There is an elaborate appraisal system in place which gives weightage to academics, research, student and peer feedback and contribution to institute and department. Based on these criteria, appraisal is carried out for teaching and nonteaching staff.

Performance appraisal of a faculty member is based on following factors:

- Self-appraisal is carried out by every staff at the end of the academic year.
- Students Feedback.
- Feedback by HOD/Principal.
- Result.

The HOD reviews the appraisal performance reports and puts it up to the Principal for arriving at conclusion regarding overall performance of the staff. The decision taken by the Principal on appraisal and feedback are conveyed to HODs. Appraisal is shared on an advisory basis with faculty for the scope of improvement and areas needing attention.

Following decisions are taken based on performance of faculty:

- Rewards to performing faculty through incentives and recognitions.
- Promotions and selections to higher positions depending on suitability and performance and not merely on seniority.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit

objections within a maximum of 200 words

The institute conducts internal and external financial audits regularly audited by external component authorities. For internal audit, a team comprising of an accountant, member of finance paves the way for error free accounts and it becomes easier for external auditor to conduct institute audit smoothly. As the audit work is done periodically and by various authorities timely, there are usually no major audit objections. Internal Audit: The Management of the college has appointed an internal auditor to detect errors at the earliest and devise effective control system to prevent their occurrence. Suggestions of an internal auditor to improve the accounting financial system are incorporated.

Internal audit is done on a periodical basis. Observations made by the auditor are brought to the notice of accountant and Principal of the college. External Audit: The Management has appointed M/S S.S. Rane and Associates as an external auditor. The financial statement of the college including books of accounts, vouchers, statements etc are audited by the external auditor.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The finances of the institution are judiciously allocated and effectively utilized by a proper budgeting system. The institution is effective in resource mobilization and planning development strategies. Financial committees in the institute comprise of both teaching and non-teaching staff. The principal and the management allocate funds according to the demand of the particular department. Quotations are invited from vendors/suppliers and the ones providing the best quality and best price are selected for procurement. The automation of account helps the management for monitoring the financial resources.

Expenditure of VPPCOE & VA is mainly divided into four parts

- 1) Administrative & Establishment Expenses
- 2) Educational Expenses
- 3) Expenditure in respect of property
- 4) Salaries & Allowances

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC makes all possible efforts to ensure an effective quality improvement and quality monitoring in the institution.

The IQAC has also advised that the automation for various academic and administrative functions is being carried out in a phased manner.

An online payment gateway is also implemented in the institution from the current academic year. IQAC aims towards a paperless office through various online processes.

IQAC has also been instrumental in ensuring quality Teaching-

Learning.To enhance Teaching-Learning process smart class room has been implemented department wise. All faculties have been advised for 100% ICT usage, online MCQ tests etc. Due to pandemic all lectures and practicals conducted in online mode using Google meet, zoom and other suitable platforms.

Creativity in teaching such as conducting Case Study, Seminar and Mini Projects introduced as per requirements for the subjects. Transparency in evaluation procedure for mid/end term.

The IQAC encourages faculties to be involved in research work.

IQAC has encouraged faculties to conduct and participate in STTPs, workshops, FDPs, and Minor research projects etc.Institute has signed MoU with different reputed organizations for academic activities.

As a part of eco-friendly campus, solar energy electricity i.e Green Practice, E- waste disposal, Effective waste disposal, Rain Water Harvesting and Water Conservation System is in place in the institute.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC is constituted as per the norms. It has implemented steps to ensure quality teaching learning and achieve the desired learning outcome level for every course.

IQAC has always been monitoring to ensure quality teaching-learning.To enhance teaching-learning process faculties started for using smart class room which is implemented department wise.

Expert lecture organized for students which helps students to get subject exposure.

IQAC insists all faculties to upload their subject wise teaching learning documents in the google classroom and make it available to students. NPTEL/ SWAYAM links for most of the subjects are provided in the syllabus.

IQAC maintains the quality of STTP's by conducting it in association with IIT Bombay Spoken Tutorial.

Subject wise online MCQ test makes students capable for future online test.

Due to the pandemic all the teaching Learning and academic activities conducted in online mode using suitable platforms. The Internal Assessment as well as university exams conducted as per guidelines.

All these things helped students to achieve success in academics.

Incremental Improvements:

1. Usage of ICT is increased which helps to advanced the teaching learning process.
2. Innovative methods such as conducting taking case studies, mini projects, seminars etc. have been taken as per requirement of the subject.
3. Technical events like Oscillation by EXTC, Tantra by Computer Department and Techgyanathon by IT department conducted in online mode due to pandemics.
4. Water conservation system is in place in the Institute
5. As a part of social service some activities are conducted by NSS unit.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

VPPCOE & VA maintains a culture of Gender Equity and Gender sensitivity on the campus by providing different facilities in terms of obligations, rights, benefits, and opportunities. Institute provides security guards at every key location like the main entrance, lift, ground, every floor and supervises the entire campus. The team of security guards consists of a few lady security guards also. The security at the entrance checks the identity card of the students and visitors for avoiding any mishaps. CCTV cameras are installed in the campus at strategic locations for monitoring the activities in the campus. Lady medical officer is appointed to take care of any emergency medical problems faced by students or staff while they are in the college. For assisting and guiding the college staff and students, the college has appointed a lady counsellor Ms. Pooja Punjabi. The college has provided girls' common room on the campus. The common rooms have a proper seating arrangement, magazines, and an indoor game facility. The girl's common room has separate washrooms and sanitary napkins vending machines. PVPPCOE has Women's Grievance redressal and development cells functioning actively to solve problems of sexual harassment.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management:

Two separate bins are provided in the campus to segregate dry and wet waste. The Institute has a Composting plant wherein a compost pit has been dug in the college premises where all the organic wastes produced within the campus are allowed to decompose which helps in generating good manure. This manure is used for the healthy growth of the trees and plants present in the campus.

Liquid waste management:

It is the regular practice in the institute to ensure that excess quantities of chemicals are not purchased. Waste chemical solutions in the Chemistry Lab are initially diluted by adding 20 % more water in it and stored in a container for 1-2 weeks. Then the container is emptied in a disposal pit outside the Lab.

Waste recycling system.

A sewage treatment plant is instituted on the premises.

E-waste management: E-waste can lead to adverse human health effects and environmental pollution. We are using LCD-based monitors to reduce the effect of e-waste. Non-working e-waste like CDs, DVDs, cell phones and chargers, used inkjet cartridges, computers, printers, keyboard, circuit board, calculators, scanners, lab equipment, hot plates, alkaline batteries are properly disposed for which the institute has signed a MOU with E-Incarnation Recycling Pvt. Ltd.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

To build a nation of youth who are noble in their attitude and morally responsible, the college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. "The NSS Unit of Vasantdada Patil College of Engineering & Visual Arts" organized a mask donation camp at some slum areas in Mumbai. The area chosen was Wadala because there were many slums seen in this area which needed help. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated in the campus to generate the feeling of oneness and social harmony. The college and its teacher and staff jointly celebrate the cultural and regional festivals, Fresher Party, teacher's day, orientation and farewell program, Induction program, rally, oath, plantation, Youth Day, Women's Day, Yoga Day, festivals like Ganeshostav celebration, etc. religious ritual activities are performed in the campus. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration. Besides academic and cultural activities, we have built up many strong infrastructures for a variety of sports activities for the physical development of the students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race sex. Students are equipped with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people. The institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. involving students. The college establishes policies that reflect core values. Code of conduct is prepared for students and staff and everyone should obey the conduct rules. The affiliating University curriculum is framed with mandatory courses like Professional ethics and human values, Constitution of India, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students. Major Initiative during last five years The NSS Unit organized a cloth donation camp at some slum areas in Mumbai like "Wadala Station (W)" because there were many slums seen in this area which needed help.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

VPPCOE & VA celebrates 15th August i. e. Independence Day as well 26th Jan i.e., Republic Day at institutional level, as we are registered with NSS unit, students perform Street play on awareness campaign such as water perseverance, drug addiction, gender equality etc. The main focus of play was to make, youth to understand "what is Gender equality". "A gender-equal society would be one where the word 'gender' does not exist: where everyone can be themselves". 'Marathi Bhasha Diwas' was celebrated on 27th Feb on the occasion of the birth anniversary of noted Marathi litterateur V. V. Shirwadkar, popularly known as 'Kusumagraj.' On 21st June 2020, Webinar on International yoga day was organized by the NSS unit of VPPCOE. Bhajan Sandhya was organised on the occasion of Gandhi Jayanti on 2nd Oct. 2020. A webinar on Constitutional day was organised on 26th Nov. 2020. All these activities were conducted virtually using zoom or google meet platform because of the Covid lock down.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices 1

Title: Empowering Employability skills.

In the AY 2020-21 during pandemic, we have conducted total of 84 webinars related to improving Technical Skills, Gate/GRE Preparation, and on Overseas Education. The program included improving Soft Skills, Technical Skills which includes sessions on Machine Learning, Artificial Intelligence, Cloud Computing, Programs to learn Python, Seminars on Cyber Security, Big Data, and Ethical hacking, and Communication Skills, Informing students about various examinations, like GATE, GRE, TOEFL, and IELTS. We also held Microsoft Certification Program in order to make our students techno-friendly. VPPCOE & VA facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students.

Best Practices 2

Title: Enhancing the skill set of faculty members in the Emerging trends of technology.

Objective:

- The institute has a practice of taking feedback from the recruiters who used to visit our campus for placement. The collected feedback is analyzed by the IQAC. Based on the feedback the faculty development course and student development courses are organized.
- This mechanism helps to improve the quality of teaching-learning which indirectly helps the students to grab better job opportunities. These courses lead to the overall development of the institute.

Best practices in the Institutional web site	View File
Any other relevant information	View File

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Institution inculcates social consciousness among its students through active forums such as NSS and Eco-club by maintaining the green campus and herbal garden, observing save fuel day, and many more.

Blood Donation: Blood donation drives were organized in the campus as well as on Churchgate Station by our NSS team to spread the awareness of blood donation and create a sense of social responsibility amongst the student every year to help needy patients.

SPNF Farming in the Campus:

The Principal, Staff & The NSS Unit decided to have a ?Zero Budget National Farming in the college campus. It was named as ?Subhash Palekar Natural Farming (SPNF) and this activity took its first step on 8th of April 2020. In this activity, a specific number of plants of various types were been planted in the allotted area in the college campus. The NSS volunteers took the responsibility to plant and grow the farm and maintaining it on day-to-to basis. Volunteers of NSS used to water the farm daily and do all necessary steps to make sure about the progress of the farm they have planted, so as it was take a major role in maintaining a clean campus & a healthy social environment.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Academic Calendar serves as a record of Mumbai University academic policies and procedures. According to which, Institution designs its own academic plan.

Time table reflects the theory, practical and tutorial loads of the subjects & faculties.

Faculty prepares Subject Orientation, lecture notes, conducts lectures & practicals, tutorials using (ICT), internet and online resources, case studies or mini projects, MCQ, tests, Internal assessment tests. .Assignments, experiments are planned and designed according to course outcomes. Expert talks, Internships Workshops, seminars are organized to provide hands-on practice.

Institution also offers training for placement and gets the students ready for the professional world through career counselling and training. Students of final year implement the projects as prescribed in curriculum & are encouraged to publish their research papers in conferences/ journals.

Dept. of Applied Arts & Paintings conducts a practical dominating course with 20 percent theory with annual pattern that aims to teach students to express their views on the work executed by them, on the current practice as well as trends in communication design and interacting with other faculties, which helps them to achieve skills to defend their work, build up the confidence, acquire the skills of salesmanship and finally groom them into successful professionals.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar serves as a record of Mumbai University academic policies and procedures. According to university calendar, Institute designs its own academic plan.

Institute forms time table committee which contains two faculties from each department and one convener from Institute. Time table reflects the theory, practical and tutorial loads if any assigned for each subject & each faculty.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Various subjects in the curriculum raises environmental challenges awareness and teaches professional ethics to students.

Professional Communication & Ethics

This course is included in first-year B.E. syllabus, Rev. 2019-C scheme which enhances students' professional ethics and teaches engineers' social responsibilities.

Following courses are offered as Institute Level Optional Courses in Mumbai University's final-year curriculum and can be offered according to students' choice.

Disaster Management and Mitigation Measures

Students can understand world disasters types, damaging capacity, and methods to overcome or minimise it which further specifies individual roles, GIS applications & emergency government response structures.

Energy Audit and Management

Students can understand energy conservation fundamentals and security, electrical and thermal installation performance evaluation criteria.

Development Engineering

Students can understand characteristics, scope and constraints of rural development relevant for institutional planning.

Professional Ethics and Corporate Social Responsibility (CSR)

Students can understand professional ethics, recognize & distinguish corporate social responsibility aspects in business.

Entrepreneurship Development and Management

Students can study legal aspects of entrepreneurship, and entrepreneurs' government policies.

Digital Business Management

This familiarises students with digital business & give insights into E-business strategies.

Environmental Management

The students learn concepts of ecology & environment related legislation relevant at global concerns.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college organizes a well- structured orientation programme for newly admitted students at first year and also for direct second year along with their parents to understand the engineering curriculum prior to commencement of academic year. To understand the current semester syllabus properly and to bridge the curriculum gap, the pre-requisite is taught by conducting bridge course in the beginning of the semester. The advanced learners are identified by individual faculty of each class based on the student performance in the test, behavior of students, initiative taken by students in solving problems, submission of assignments, project works and practical work in laboratories. They are also encouraged to participate in competitions and paper presentation in intra and inter collegiate competitions. Extra care is taken to increase their academic excellence by giving them more practice papers, special guidance for enhancing result and learning through various syllabus related videos. Additional reference books are also provided from the college library to get more insights in the subjects. Slow learners are identified after observing their performance in the class test and mid- term examination. Remedial coaching is provided to slow learners. The remedial lectures are conducted after regular class hours or free time slots. Faculties provides learning material in the form of notes to them and help them overcome the lacuna in understanding the subject and counsel them in all aspects such as attendance, marks, providing proper guidance to the academically weak students.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Fixed teaching schedule: The institute follows a well planned academic calendar. It provides a balance between the academic & non-academic activities like sports and other techno-cultural events. Every faculty member prepares a Teaching Plan comprising weekly and daily planner for their respective subjects before the commencement of new semester. Timetable is prepared before the commencement of the semester and is mostly followed by the faculty. ? **Students Centric methods:** The institute implements student centric learning methods in the campus. ? **Participative learning** Apart from regular lectures and practicals, interactive method involving experimental learning encourages the students to enhance their technical skills. Faculty arranges group discussion, quiz, seminars for their subjects wherein students are required to participate which helps to enhance their analytical and logical skills. The technical fest is organized and managed by students under the guidance of faculty members where they get an opportunity to learn the event management and leadership skills. Students are also encouraged to participate in intra and inter collegiate seminars, quiz and project competitions. Sports and Cultural competitions are organized every year which provides the students an ample scope for extra-curricular and co- curricular learning. ? **Experiential learning:** Industrial visits and internships are arranged for the students by all the departments. It enables the students to bridge the gap between industry and institute. Training is provided to students to enhance their soft-skills, group discussions skills, aptitude test capabilities as well as interview techniques. Students are also encouraged to participate in project exhibitions to sharpen their technical skills.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The academic year 2020-2021 was completely affected by Covid-19 pandemic and therefore it was not only the choice but also the compulsion of the teachers to learn, adopt and practice the ICT enabled tools. The use of laptops and internet became a common practice not only for the teachers but also for the students. The teachers used the google meet to conduct the theory lectures. Also they used the google classroom to create the contents for the subject and shared with the students. Moreover, various teachers attended the refresher courses and faculty Development Programmes for online teaching and creation of online contents. Facilitated by these programmes, the teachers are effectively using ICT enabled tools like laptops, headphones, writing pads, internet, video-lectures, audio-lectures, PPT presentations, virtual labs, YouTube links, e-contents etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The internal assessment system is transparent and it is evaluated on the basis of Students' attendance, laboratory work, assignments, tutorials, term test etc. After the test, the model answers and marking scheme are discussed by the faculty with the students. Solution of Midterm, End term and University papers are prepared by the subject teacher. At the beginning of semester orientation session is conducted by each faculty member in which the faculty mentions the assessment scheme of the particular subject. The faculty maintains transparency while awarding marks and maintaining the documents. The students and their parents are made aware of the evaluation system through orientation program and Parent Teacher Interaction Meeting (PTIM). The institute encourages independent learning through project and paper presentations by students. Since the previous year question papers are available in college library as well as college website, the students can access it and use for their better performance. Students can get benefit of 10 grace marks which are approved by university of Mumbai for completing 120 Hours in a academic year for NSS activities. The mechanism followed by the college for internal assessment is completely transparent and robust as mentioned above.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institute has grievance cell comprising senior and

experienced faculty appointed by principal. At Institute level this committee takes care of the grievances regarding the evaluation process and any other related issues. The examination cell of the institute helps Students in referring them to the university with proper documents after detailed verification in case of any discrepancies observed in the mark sheet at the university level. The teacher clarifies doubts regarding evaluation and if there is any change in the marks it is mentioned in the records. In cases of issues related with mistakes in filing examination forms Institute refers the case to university through proper Channel and helps the students in resolving the same within the stipulated time. The semester 1, 2, 7 and 8 are evaluated by university and the semester 3, 4, 5 and 6 are evaluated in the college by examiners and moderators approved by university of Mumbai. If the student is not satisfied about the marks awarded to him/ her in End Semester examination he/ she can apply for photocopy of answer sheet as well as can apply for re-evaluation of the answer sheet by paying fees prescribed by University of Mumbai. Utmost care is taken by the faculty so that no discrepancies are observed. Before the commencement of any university examination, Examination team updates the faculty about the rules and regulation. Also faculty instructs all the students regarding the examination rule.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Yes, Program Outcomes (PO), Program Specific Outcomes (PSO) and Course Outcomes for all programs offered by the institution are stated ,displayed on website, institutional LMS & communicated to teachers and students. Program outcomes, program specific outcomes of respective programs are displayed at various key locations on the department floors. These are also included in subject course files prepared by faculty. The students get familiar to PEO, PO & PSO by including these in the lab journals. The importance of the same is discussed during lab session by teachers. University of Mumbai mentions Course Objectives & Course Outcomes (CO) in the semester syllabus of every programme.

Each subject teacher not only includes CO in subject Course files but also discusses during subject orientation programs with department faculty. For every laboratory course code, CO's are prepared (if not predefined in the syllabus) and presented in course files as well as in respective laboratories. Course Outcomes are mapped with Programme Outcomes under three main categories as High, Medium & Low, which is also discussed with the students. The mapping indicates how the Programme Outcomes are achieved through course outcomes by effective teaching learning process.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Institution has a well defined mechanism using software to prepare the attainment levels for program outcome, course outcome and program specific outcome. The faculties define the direct and indirect assessment methodologies and each question of internal assessment and each parameter of the indirect assessment are mapped to the program outcome, course outcome and program specific outcome. The result and performance data of every student is uploaded to the software which calculates the attainment levels of the PO, PSO and CO.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

ILMS Software:

The library has purchased the ILMS Software i.e. e-Granthalaya on 11/04/2007, which is Fully Automated. The Library has this ILMS Software i.e. e-Granthalaya since from 2007 to till date with latest version 3.0 which is Fully Automated by upgrading the same Software to its latest version, which is available.

e-Granthalya Library Software developed by National Informatics Centre (NIC), Ministry of Electronics and Information Technology, Government of India. The software provides built-in Web OPAC interface to publish the library catalog over Internet and is UNICODE Compliant thus, supports data entry in English languages. Users within our campus can access various books /journals/titles by its author's names using the link.

e-Granthalya Library software aims at speeding up and simplifying not only librarian's day-to-day routine tasks.

System Requirements for e-Granthalaya:

- Application is hosted in NIC National Cloud and used Online by User Libraries for Data Entry and Member Services.
- No Component is installed and nothing to maintain at User End (Database and Application are hosted in NIC National Cloud)

- User Library needs to have Desktops with Internet Connectivity
- Other Infrastructure required in Library: Desktop Bar Code Printer / Scanner.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

In Academic year 2020-21, institute has total 565 PCs in different departments. Every system is equipped with internet facility and latest version softwares. Each department is equipped with own dedicated laboratories with adequate computing facilities. Number of computers increased by 100 in academic year 2014-15 to fullfill the increasing demand of users having latest configuration along with 10 printers of Hp laser Jet P1566 and 1 color printer of HP Laser Jet Pro 200M25.

Institute provides free of cost uninterrupted internet facility. Institute frequently upgrades LAN speed and bandwidth. In Academic Year 2012-13 LAN Speed and bandwidth was 10 Mbps and 16 Mbps respectively. Bandwidth upgraded to 32 Mbps in academic year 2016-17 and further upgraded to 50 Mbps in academic year 2017-18. In academic year 2020-21 new order to upgrade the bandwidth from 50 Mbps to 300 Mbps is placed in the month of march, 2021.

In academic year 202-21 number of different IT equipments purchased including 12 printers of HP laserjet, 50 numbers of 500 GB HDD, 35 SMPS, 2 projectors and 3 Epson 3110 color jet printer.

Wi-Fi facility is available throughout the campus for all the students and staffs.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

1.Computer Facilities:

AMC contract is given to external agency for maintenance of computers.ESP deploys one person in campus to check all computers

2. Classrooms, Washrooms, Water purifier & cooler:

Institute appointed external agencies for maintenance of infrastructure. Classrooms & wash rooms are cleaned daily. Maintenance of water Purifier is contracted by ACE Technology.

3. Pest Control:

Pest Control is conducted on regular basis in collaboration with external agency.

4. Electrical Facilities:

Institute appointed two dedicated staffs for maintenance of electrical facilities.

5. Elevator, CCTV Cameras & Intercomm:

AMC Contract is given to Victoria Elevators. Maintenance of CCTV Cameras & Intercomm are done through external agencies.

6. Security & Medical services:

Institute made an agreement with V.P. Security Services. Institute appointed Doctor for health check up.

7. Fire System & Electronics Lab:

Institute has made an agreement with external agencies for Fire System. For Electronics repair, service is hired from outside agencies.

8. Library:

Maintenance of reprographic machine is done by Library staff. Books are weeded once in every 07 years. Maintenance of books dusting is conducted daily.

9. E-Waste & Solar System:

Institute appointed an ESP to collect e-waste yearly. There is CMC for one year for electrical maintenance and cleaning of Solar System with external agency.

10. Sports:

Maintenance of sports ground done regularly by the maintenance department of institute.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council is an instrument for all round development of students, through which we inculcate sense of social responsibility and ethical behavior. This platform is provided for the students to have hands on training in administrative procedures, develop group management and leadership qualities. The objective of Students council is to create good citizen of India. Faculty head for student council is nominated by the principal. The student members are selected from the willing students. A student can hold only one post at a time. Once selected for Student council post the students is not given any other departmental or institute level committee responsibility. Students results for midterm, end term and university exam are monitored and if the result gets affected drastically then the student is to be removed from the post. The Principal, and all Department HOD's, outgoing student council, together with all the CR's, and Final year students select the member by voice vote. All the departments are well represented in the council. The student council along with CR's is the bone of all extracurricular, technical, cultural and sports activities, such as Fusion, Sportivo, Ganpatti festival, Teachers day celebration, Independence an Republic day celebration and farewell to BE students. The ladies representative selected in students council is by default the appointed student representative for Grievance redressal in Womens Grievance Redressal Development Cell (WDC). Even though the Institute is a co-education institute there is no Grievance reported.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Padmabhushan Vasantdada Patil Pratishthan's College Of Engineering's interaction with alumni goes back to 20 years. We have a very strong relationship with our alumni on individual basis though the official association has been formed this year. Every year in March during cultural festival we organize an alumni meet wherein we provide a platform to our accomplished alumni to showcase their achievements and encourage their juniors. Respected General Secretary Sr. Advocate Appasaheb Desai and Principal acquaint the alumni regarding various aspects of the institution and puts across the mission for the future. During this meet alumni are invited to share their inspiring memories and take keen interest in the development of meritorious students with financial problems and explore opportunities for training and placement. Alumni Association facilitates bridging the gap between young upcoming engineers and accomplished alumni in accordance with industry needs and brings the theoretical knowledge and practical experience together. We are connected to alumni through social network facebook, whatsapp etc. and interact formally and informally. The An alumnus is associated with the [LMC/CDC] College Development Committee who contributes expert industry insights.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision:

To provide an environment to educate, encourage and explore students by facilitating innovative research, entrepreneurship, opportunities and employability to achieve social and professional goals.

Mission:

To foster entrepreneurship and strengthen industry institute interaction to enhance career opportunities for the employability of students.

- To foster entrepreneurship & strengthen industry institute interaction to enhance career opportunities for the employability of students.
- To build up appropriate moral and ethical skills and to promote holistic development of students through various academic, social and cultural activities.
- To encourage collaborations with industries and academic institutes in terms of projects & internships by creating area for Research and Development. Nature of Governance:

The college has a visionary management constantly looking for ways and means of incorporating quality in education. Vasantdada Patil Pratishthan's College of Engineering and Visual Arts was established in 1990 as a humble tribute to Late Shri Padmabhushan Vasantdada Patil, by the great founder Late Shri Manohar (Mama) Phalke, Ex M.L.C. The college is spread over wide area and it has built up a huge infrastructure. The cosmopolitan and pluralistic nature of the college enables it to provide holistic education by concentrating on effective teaching-learning using ICT classrooms. The college motivates the student's to organize technical events, cultural events and ensure the maximum participation of the students

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Many of the processes in Academics and administration that are decentralized for better outcome. The management has empowered principal, IQAC head, head of department and faculty to make decisions related to curricular, co-curricular and extra-curricular activities. Resulted in taking autonomous decisions at their level for accomplishing the set goals.

Decentralization has resulted in increasing the overall and effectiveness of the system and at the same time empowering and strengthening the capacities of the various branches of administration. The existing organizational structure, as per norms, the institute has formed certain bodies in which there is more or less equal blend of faculty members and staff from different departments and sections which comply with the decentralization of role and participatory management. This gives everyone an opportunity to play a role and handle responsibilities.

File Description	Documents

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institute's operation is guided by a strategic plan as decided by the Governing Body of the institute which has been formed in accordance with government norms. As per the Governing Body plan the Principal and the Departmental Heads execute the operation. The Governing Body also suggests necessary actions to be followed for academic excellence. The follow up action and corrective measures are taken in the next academic year and the results are presented in the next Governing Body meeting for evaluation. Thus the academic excellence and quality of operation is continuously monitored, guided and ensured.

The institute as a part of its strategic operation focuses on the followings:

1. Encourage faculties to improve the quality of the teaching learning.
2. To increase the ICT usage for teaching learning.
3. To introduce number of certificate courses on industrial requirements to bridge the industry academia gap.
4. To motivate faculties to interact with other institutions.
5. To sign MOU's with more industries and foreign universities that makes availability of internships to our students.
6. More emphasis on Extra-Curricular activities such as encouraging effective organization of Technical Fests, encouraging the students to participate in different technical as well as non-technical competitions.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The VPPCOE & VA is an affiliated engineering college that operates under the statutes, regulations and legal framework of the University of Mumbai. The institute is owned and managed by the Vasantdada Patil Pratishthan (VPP) trust. The VPP has constituted the Governing Body that following the norms of AICTE. The Institute is under the administrative control of the Governing Body. The Governing Body meets regularly to discuss various administrative and academic issues presented by the Principal who is the member-secretary. The Principal executes the directives and suggestions offered by the Governing Body with help of various committees and bodies of the institute. While executing all the academic and non academic activities code of conduct followed.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal System:

Appraisal System based on Recognition and appreciation of a job well-done by the individual's self-image and self-recognition to optimum heights. The Management ensures that the right people are available at the right place and right time, and have the capability and competence to work effectively and efficiently so as to achieve the objectives set by the organization. There is an elaborate appraisal system in place which gives weightage to academics, research, student and peer feedback and contribution to institute and department. Based on these criteria, appraisal is carried out for teaching and nonteaching staff.

Performance appraisal of a faculty member is based on following factors:

- Self-appraisal is carried out by every staff at the end of the academic year.
- Students Feedback.
- Feedback by HOD/Principal.
- Result.

The HOD reviews the appraisal performance reports and puts it up to the Principal for arriving at conclusion regarding overall performance of the staff. The decision taken by the Principal on appraisal and feedback are conveyed to HODs. Appraisal is shared on an advisory basis with faculty for the scope of improvement

and areas needing attention.

Following decisions are taken based on performance of faculty:

- Rewards to performing faculty through incentives and recognitions.
- Promotions and selections to higher positions depending on suitability and performance and not merely on seniority.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute conducts internal and external financial audits regularly audited by external component authorities. For internal audit, a team comprising of an accountant, member of finance paves the way for error free accounts and it becomes easier for external auditor to conduct institute audit smoothly. As the audit work is done periodically and by various authorities timely, there are usually no major audit objections. Internal Audit: The Management of the college has appointed an internal auditor to detect errors at the earliest and devise effective control system to prevent their occurrence. Suggestions of an internal auditor to improve the accounting financial system are incorporated.

Internal audit is done on a periodical basis. Observations made by the auditor are brought to the notice of accountant and Principal of the college. External Audit: The Management has appointed M/S S.S. Rane and Associates as an external auditor. The financial statement of the college including books of accounts, vouchers, statements etc are audited by the external auditor.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The finances of the institution are judiciously allocated and effectively utilized by a proper budgeting system. The institution is effective in resource mobilization and planning development strategies. Financial committees in the institute comprise of both teaching and non-teaching staff. The principal and the management allocate funds according to the demand of the particular department. Quotations are invited from vendors/suppliers and the ones providing the best quality and best price are selected for procurement. The automation of account helps the management for monitoring the financial resources.

Expenditure of VPPCOE & VA is mainly divided into four parts

- 1) Administrative & Establishment Expenses
- 2) Educational Expenses
- 3) Expenditure in respect of property

4) Salaries & Allowances

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC makes all possible efforts to ensure an effective quality improvement and quality monitoring in the institution.

The IQAC has also advised that the automation for various academic and administrative functions is being carried out in a phased manner.

An online payment gateway is also implemented in the institution from the current academic year. IQAC aims towards a paperless office through various online processes.

IQAC has also been instrumental in ensuring quality Teaching-Learning. To enhance Teaching-Learning process smart class room has been implemented department wise. All faculties have been advised for 100% ICT usage, online MCQ tests etc. Due to pandemic all lectures and practicals conducted in online mode using Google meet, zoom and other suitable platforms.

Creativity in teaching such as conducting Case Study, Seminar and Mini Projects introduced as per requirements for the subjects. Transparency in evaluation procedure for mid/end term.

The IQAC encourages faculties to be involved in research work.

IQAC has encouraged faculties to conduct and participate in STTPs, workshops, FDPs, and Minor research projects etc. Institute has signed MoU with different reputed organizations for academic activities.

As a part of eco-friendly campus, solar energy electricity i.e

Green Practice, E- waste disposal, Effective waste disposal, Rain Water Harvesting and Water Conservation System is in place in the institute.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC is constituted as per the norms. It has implemented steps to ensure quality teaching learning and achieve the desired learning outcome level for every course.

IQAC has always been monitoring to ensure quality teaching-learning. To enhance teaching-learning process faculties started for using smart class room which is implemented department wise.

Expert lecture organized for students which helps students to get subject exposure.

IQAC insists all faculties to upload their subject wise teaching learning documents in the google classroom and make it available to students. NPTEL/ SWAYAM links for most of the subjects are provided in the syllabus.

IQAC maintains the quality of STTP's by conducting it in association with IIT Bombay Spoken Tutorial.

Subject wise online MCQ test makes students capable for future online test.

Due to the pandemic all the teaching Learning and academic activities conducted in online mode using suitable platforms. The Internal Assessment as well as university exams conducted as per guidelines.

All these things helped students to achieve success in academics.

Incremental Improvements:

1. Usage of ICT is increased which helps to advanced the teaching learning process.
2. Innovative methods such as conducting taking case studies, mini projects, seminars etc. have been taken as per requirement of the subject.
3. Technical events like Oscillation by EXTC, Tantra by Computer Department and Techgyanathon by IT department conducted in online mode due to pandemics.
4. Water conservation system is in place in the Institute
5. As a part of social service some activities are conducted by NSS unit.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

VPPCOE & VA maintains a culture of Gender Equity and Gender sensitivity on the campus by providing different facilities in terms of obligations, rights, benefits, and opportunities. Institute provides security guards at every key location like the main entrance, lift, ground, every floor and supervises the entire campus. The team of security guards consists of a few lady security guards also. The security at the entrance checks the identity card of the students and visitors for avoiding any mishaps. CCTV cameras are installed in the campus at strategic locations for monitoring the activities in the campus. Lady medical officer is appointed to take care of any emergency medical problems faced by students or staff while they are in the college. For assisting and guiding the college staff and students, the college has appointed a lady counsellor Ms. Pooja Punjabi. The college has provided girls' common room on the campus. The common rooms have a proper seating arrangement, magazines, and an indoor game facility. The girl's common room has separate washrooms and sanitary napkins vending machines. PVPPCOE has Women's Grievance redressal and development cells functioning actively to solve problems of sexual harassment.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management:

Two separate bins are provided in the campus to segregate dry and wet waste. The Institute has a Composting plant wherein a compost pit has been dug in the college premises where all the organic wastes produced within the campus are allowed to decompose which helps in generating good manure. This manure is used for the healthy growth of the trees and plants present in the campus.

Liquid waste management:

It is the regular practice in the institute to ensure that excess quantities of chemicals are not purchased. Waste chemical solutions in the Chemistry Lab are initially diluted by adding 20 % more water in it and stored in a container for 1-2 weeks. Then the container is emptied in a disposal pit outside the Lab.

Waste recycling system.

A sewage treatment plant is instituted on the premises.

E-waste management: E-waste can lead to adverse human health effects and environmental pollution. We are using LCD-based monitors to reduce the effect of e-waste. Non-working e-waste like CDs, DVDs, cell phones and chargers, used inkjet cartridges, computers, printers, keyboard, circuit board, calculators, scanners, lab equipment, hot plates, alkaline batteries are properly disposed for which the institute has signed a MOU with E-Incarnation Recycling Pvt. Ltd.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

To build a nation of youth who are noble in their attitude and

morally responsible, the college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. "The NSS Unit of Vasantdada Patil College of Engineering & Visual Arts" organized a mask donation camp at some slum areas in Mumbai. The area chosen was Wadala because there were many slums seen in this area which needed help. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated in the campus to generate the feeling of oneness and social harmony. The college and its teacher and staff jointly celebrate the cultural and regional festivals, Fresher Party, teacher's day, orientation and farewell program, Induction program, rally, oath, plantation, Youth Day, Women's Day, Yoga Day, festivals like Ganeshostav celebration, etc. religious ritual activities are performed in the campus. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration. Besides academic and cultural activities, we have built up many strong infrastructures for a variety of sports activities for the physical development of the students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race sex. Students are equipped with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people. The

institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. involving students. The college establishes policies that reflect core values. Code of conduct is prepared for students and staff and everyone should obey the conduct rules. The affiliating University curriculum is framed with mandatory courses like Professional ethics and human values, Constitution of India, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students. Major Initiative during last five years The NSS Unit organized a cloth donation camp at some slum areas in Mumbai like "Wadala Station (W)" because there were many slums seen in this area which needed help.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

VPPCOE & VA celebrates 15th August i. e. Independence Day as well 26th Jan i.e., Republic Day at institutional level, as we are registered with NSS unit, students perform Street play on awareness campaign such as water perseverance, drug addiction, gender equality etc. The main focus of play was to make, youth to understand "what is Gender equality". "A gender-equal society would be one where the word 'gender' does not exist: where everyone can be themselves". 'Marathi Bhasha Diwas' was celebrated on 27th Feb on the occasion of the birth anniversary of noted Marathi litterateur V. V. Shirwadkar, popularly known as 'Kusumagraj.' On 21st June 2020, Webinar on International yoga day was organized by the NSS unit of VPPCOE. Bhajan Sandhya was organised on the occasion of Gandhi Jayanti on 2nd Oct. 2020. A webinar on Constitutional day was organised on 26th Nov. 2020. All these activities were conducted virtually using zoom or google meet platform because of the Covid lock down.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices 1

Title: Empowering Employability skills.

In the AY 2020-21 during pandemic, we have conducted total of 84 webinars related to improving Technical Skills, Gate/GRE Preparation, and on Overseas Education. The program included improving Soft Skills, Technical Skills which includes sessions on Machine Learning, Artificial Intelligence, Cloud Computing, Programs to learn Python, Seminars on Cyber Security, Big Data, and Ethical hacking, and Communication Skills, Informing students

about various examinations, like GATE, GRE, TOEFL, and IELTS. We also held Microsoft Certification Program in order to make our students techno-friendly. VPPCOE & VA facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students.

Best Practices 2

Title: Enhancing the skill set of faculty members in the Emerging trends of technology.

Objective:

- The institute has a practice of taking feedback from the recruiters who used to visit our campus for placement. The collected feedback is analyzed by the IQAC. Based on the feedback the faculty development course and student development courses are organized.
- This mechanism helps to improve the quality of teaching-learning which indirectly helps the students to grab better job opportunities. These courses lead to the overall development of the institute.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Institution inculcates social consciousness among its students through active forums such as NSS and Eco-club by maintaining the green campus and herbal garden, observing save fuel day, and many more.

Blood Donation: Blood donation drives were organized in the campus as well as on Churchgate Station by our NSS team to spread the awareness of blood donation and create a sense of social responsibility amongst the student every year to help needy patients.

SPNF Farming in the Campus:

The Principal, Staff & The NSS Unit decided to have a ?Zero Budget National Farming in the college campus. It was named as ?Subhash Palekar Natural Farming (SPNF) and this activity took its first step on 8th of April 2020. In this activity, a specific number of plants of various types were been planted in the allotted area in the college campus. The NSS volunteers took the responsibility to plant and grow the farm and maintaining it on day-to-to basis. Volunteers of NSS used to water the farm daily and do all necessary steps to make sure about the progress of the farm they have planted, so as it was take a major role in maintaining a clean campus & a healthy social environment.

7.3.2 - Plan of action for the next academic year

The institute has set the following goals for the next academic year: 1. To create the better infrastructure for the newly introduced courses like AI&DS and B.FA Painting. 2. To upgrade technical knowledge of the faculty as per the recent trends. Which will be helpful for the newly introduced courses. 3. To prepare for NBA accreditation. 4. To emphasize more on the campus placements.
